

Eureka Area Farmers' Market **2018 Season Rules and Regulations**

Welcome, and thank you for being part of the Eureka Area Farmers' Market!

The Eureka Area Farmers' Market sells Montana homegrown produce and Montana homemade crafts to residents and visitors of the Tobacco Valley.

Market hours: 3:30 to 6:30 pm

Market day: Wednesday

Market season: May 16 through September 19

Marketplace: General Pershing's Park, next to Montana Market

Set up starts at 3:00.

Vendors, once you have set up, please park on the side streets, leaving Route 93 available to your customers.

YOUR SPACE

Your space will be assigned to you by the Market Manager on the first day of the market (May 16) or on the first day you claim an unclaimed space.

That space will be yours for the season **UNLESS** you fail to show up by 3:15 for a market and have not notified the Market Manager at least one week before that you will be absent.

Notification may be made by e-mail to eurekachamber01@gmail.com or by phone to (406) 297-4636.

If you forfeit your space (see preceding paragraph), it can be assigned to another seller by the Market Manager, in which case it belongs to that other seller unless forfeited.

YOUR PRODUCTS

All products should be made or produced in Montana. This includes arts and crafts and any garden produce, trees, plants, shrubs, flowers, fruit, bulbs, tubers, eggs, comb honey, baked goods, jellies, jams or preserves.

All eggs, comb honey, baked goods, jellies, jams and preserves are to be sold according to *DPHHS Food and Consumer Safety Guidelines*. Copies of the guidelines are available through the Chamber or on the Chamber's website: www.EurekaMontana.org.

YOUR OTHER RESPONSIBILITIES

You provide all displays, tables, change, bags, and advertising signs for your business.

You determine your prices.

Only scales which are certified by the state's Division of Weights and Measures can be used. Certification **MUST BE PROVED**. (We suggest selling by the "bunch" or "bag" rather than by weight.)

The grounds of General Pershing's Park may not be disturbed. Therefore, you may not drive on the grass or use stakes to secure your tent. (We suggest using weights instead.)

You must clean your space before leaving at the end of the day. Pack It In/Pack It Out is the rule.

Before setting up, you must sign a Registration Form stating that you have read and agree to everything outlined in this document (*Eureka Area Farmers' Market 2018 Season Rules and Regulations*).

No smoking is allowed.

The Eureka Area Farmers' Market, the City of Eureka, and the Eureka Area Chamber of Commerce are not responsible for lost, stolen, or damaged items or displays. Each seller is responsible for anyone working in their space and must provide someone to work their space the entire time the market is open.

FEES

The Market assessment fee is 5% of the day's sales. It is the seller's responsibility to pay the Market Manager at the end of the day.

CONVERSATIONS

The Market Manager has final say on all matters.

DISCIPLINE

Failure to follow these regulations may result in expulsion from the Eureka Area Farmers' Market.

MARKET MANAGER

Blanche Flanagan, Market Manager
