

EUREKA AREA FARMER'S MARKET SNAP VENDOR GUIDELINES

SNAP is a federally-funded program whereby participants can use their EBT (electronic benefits) card to receive "SNAP coins."

SNAP Coins are good only at the Eureka Area Farmer's Market.

SNAP Coins can be used to buy produce, meat, eggs, honey, milk and baked goods. They can't be used for hot ready foods or crafts. (See the list on the back.)

SNAP coins can be used to purchase bedding plants for growing food but not flowers. (sorry)

SNAP coins come in \$1, \$2 & \$5 increments.

SNAP customers may not redeem their SNAP coins for cash and may not receive cash for any difference between the amount of their purchase and the value of the SNAP coins they have tendered.

However, vendors may redeem SNAP coins for cash at the Community Booth at any time during market hours.

We ask that vendors redeem their SNAP Coins at the Community Booth as soon as possible after the market has closed.

If you have any questions, problems or other comments about this program, contact Blanche Flanagan at 291-1323 or the Eureka Area Chamber of Commerce Visitors Center 297-4636.
